REPORT:

Career of Guidance Programme

Date: 20.06.2019

Today, the career guidance and placement cell of our college organized one day workshop on “**Career Guidance Programme**”.

Prof. B. G. Patil welcomed the gathering. **Principal, Dr. P. R. Hiremath** spoke on the purpose of the workshop and asked the students to make use of it completely.

Shri. Santosh Ternimath, Placement Cell Officer, S.D.V.S. Sangh’s AIMR, MBA College, Sankeshwar, was a resource person for the first session. In his lecture, he discussed about the problems faced by rural students and their remediation for future career. He said that they are very weak in computer science and exposure. Their good marks are of no use if they are not in a position to communicate fluently and effectively. Today’s job market needs committed, disciplined, industrious, prompt and service oriented employees. The youth of the day have to cultivate these qualities to survive and succeed in the market. He gave variety of examples to the students how to crack interviews, prepare their resume and present themselves before the employer. The session was of great use for our students.

In the second session the resource person was **Dr. Maduri Hebbalkar, Director, S.D.V.S. Sangh’s, AIMR, MBA College.** She spoke on the various P.G courses offered for B.A/B.Sc students and emphasized to pursue their masters in MBA with different specialization areas after the completion of graduates. She addressed the students regarding the institutes that are providing education on these courses and their future importance, and opportunity. She highlighted how MBA gives variety of opening to the students.

Finally, the presidential remarks were given by **Shri. G. S. Indi, Vice Chairman, S.D.V.S. Sangh’s.** He called on the students to make best use of the workshop and to develop competitive and industrious qualities. He said that the Sangha is always ready to support such activities. The workshop ended with vote of thanks by **Dr. D. D. Kulkarni.**
